

PHILADELPHIA ARTS IN EDUCATION PARTNERSHIP

Artist Residency Program Information Sheet 2011-2012

- The Philadelphia Arts in Education Partnership is the Pennsylvania Council on the Arts regional partner for Arts in Education. As the regional partner for southeastern Pennsylvania, PAEP facilitates the process of selecting artists for inclusion in the *Directory of Pennsylvania Artists in Education*, sponsors artist residencies in school and community sites, and delivers professional development for teaching artists.
- The mission of the Artist Residency Program is to develop and support quality arts education programs in schools and community settings in southeastern Pennsylvania, including Bucks, Chester (SE), Delaware, Montgomery, and Philadelphia counties.
- Artist residencies are designed as collaborative ventures between teachers and artists placing trained, knowledgeable, practicing artists into schools and community settings. In these residencies, artists work intensely with up to three core groups of students acting as mentors, facilitators, and technical advisors to the students as they undertake experiential arts projects. In school settings it is anticipated that these arts projects will be literacy based, embedded in the curriculum, and meet state standards.
- School and community sites interested in applying for artist residency funds must select an artist for this work from the PA Council on the Arts approved *Directory of Pennsylvania Artists in Education*.
- School and community “host sites” may include public, private, parochial, and charter schools serving elementary, middle and high school students; childcare centers; senior centers; and units of government.
- PAEP has over 92 directory artists and ensembles from our region available to deliver quality residency work including actors, dancers, folk artists, musicians, visual artists, and writers. Each fall PAEP recruits, selects, recommends, and trains new artists to the PA Council on the Arts for inclusion in the program.
- Artist Residencies are funded jointly by the host site and the PA Council on the Arts. Matching funds of up to 50% are provided by the PA Council on the Arts. The PCA does not guarantee that all requests will be fulfilled. The amount of the match is determined by a number of variables including but not limited to the quality of the proposed project and total amount of funds available. The PA Council on the Arts is interested in helping to support residencies that are longer than 10 sessions. Consequently the PA Council on the Arts has instituted the following funding guidelines:

There is a twenty day minimum for a 1:1 PCA match for individual artists, per artist, location, and core group. Examples of the PCA match ratios are as follows based on a \$200 a day residency fee:

Length of Residency	PCA AIR Subsidy	Host %	PCA Support Maximum	Host Support (plus 10% admin. fee)	Total Cost for Residency
10 day residency	Up to 30%	70%	\$600	\$1,600	\$2,200
15 day residency	Up to 40%	60%	\$1,200	\$2,100	\$3,300
20 day residency	Up to 50%	50%	\$2,000	\$2,400	\$4,400

- A residency artist in the program must receive a daily rate of no less than \$200 a day. Artists are free to negotiate a higher rate; however, PAEP will only provide a maximum of \$150 per day to match funds for a single artist. Group or ensemble rates vary; however, PAEP will only provide a maximum of \$250 per day to match funds for ensembles. Daily rates for an ensemble exceeding \$500 must be absorbed by the school or community site. The school and residency artist/ensemble negotiate this fee.
- The Philadelphia Arts in Education Partnership is currently entertaining proposals from schools and community sites for single residencies to be held between October 2011 and August 2012.

Philadelphia Arts in Education Partnership Artist Residency Program

How to Initiate and Request an Artist Residency at Your Site

- Select an artist or ensemble from the *Directory of Pennsylvania Artists in Education* with whom your school or community site wishes to work. PAEP staff is available to assist you in the artist selection process. The *Directory* provides descriptions of the art form, style, and philosophy for each artist or ensemble approved by the Pennsylvania Council on the Arts. You can browse the artist profiles for southeastern Pennsylvania on the PCA website, which can be accessed through the Philadelphia Arts in Education Partnership (PAEP) website: <http://www.paep.net>, or contact PAEP for a hard copy of the Directory.
- Contact the artist(s) directly to discuss a potential residency, or contact PAEP for suggestions about the artist(s) who might work well at your site.
- Once the artist(s) has been contacted, plan a meeting to discuss the shape and scope of the potential residency project, which will include information such as: age of core groups (up to 3), learning goals and curricular and literacy connections, school/site setting, project collaborators/team, artist fees, materials, and other residency needs.
- Develop the residency plan collaboratively with the artist(s).
- Submit an Artist Residency Request Form and narrative description of the residency to the Philadelphia Arts in Education Partnership **no later** than Friday, March 1, 2011 for Artist Residencies scheduled for October 2011 through August 2012.
- Your proposal will be reviewed for consideration by PAEP. PAEP cannot guarantee funding. This will depend upon the quality of the project and the amount of available funds.
- No residencies will begin prior to October, 2011 without PAEP clearance.
