

The Philadelphia Arts in Education Partnership (PAEP) offers an **arts and STEAM afterschool program**. Students learn design thinking and teamwork through STEM challenges and arts education blocks and share their work at school showcases. All students receive a daily meal, homework help, all supplies needed for their arts classes, and more for **FREE!**

PAEP STEAM is available to students in grades 3-8 at:
Blaine Elementary
Lingelbach Elementary
Morrison Elementary
Penrose School

PAEP STEAM is available to students in grades 5-8 at:
Castor Gardens Middle School
Meade Elementary
Stearne Elementary
Ziegler Elementary

93%

of students were more engaged and motivated during school

1 in 3

students grew their GPA

PAEP STEAM BY THE NUMBERS

1 in 4

students improved PSSA scores

>50%

of students improved school day attendance

After School and Summer STEAM Programs

"Anthony is now dedicated to his guitar practice, writing his own music, and embracing a creative side I hadn't seen before. Beyond that, **his passion for the guitar has motivated him to stay focused and excel in school**—a transformation I truly didn't expect but am so grateful for."

"I truly wish **every school in Philadelphia** could implement your program."
